LETTER FROM THE CHAIRMAN

Dear Fellow Conservatives,

I am pleased to present the American Conservative Union Foundation's ratings for the 2015 meeting of the North Dakota Legislative Assembly. Like our Congressional Ratings, our State Ratings reflect how elected officials view the role of government in an individual's life. The North Dakota legislators with the strongest scores voted most consistently with the ideals articulated in the US Constitution: limited and transparent government, individual rights, personal responsibility, and a healthy culture.

The 2014 election completed a political transformation that began in 2010 and resulted in voters of almost half the states, 23 in all, entrusting Republicans with the governorships as well as control of both chambers in the respective state, the biggest sweep since the first half of the 20th Century.

By examining all our State Ratings (which cover a wide variety of issues) we can see which states have best used their Republican majorities to apply conservative principles, how others have struggled, and in yet other states, how conservatives have stood up against liberal majorities. I know that this guide will provide you with the most comprehensive evaluative tool to learn how your legislators measure up.

Sincerely,

Matt Schlapp

SELECTING THE VOTES

ACU researched and selected a range of bills before the North Dakota Legislative Assembly that determine a member's adherence to conservative principles. We selected bills that focus on Ronald Reagan's philosophy of the "three-legged stool": *1) fiscal and economic:* taxes, budgets, regulation, spending, healthcare, and property; *2) social and cultural*: 2nd amendment, religion, life, welfare, and education; and *3) government integrity:* voting, individual liberty, privacy, and transparency. This wide range of issues are designed to give citizens an accurate assessment that conveys which of North Dakota's elected leaders best defend the principles of a free society: Life, Liberty and Property.

NORTH DAKOTA SENATE VOTE DESCRIPTIONS

1. SB 2126 Stimulus Program. This bill is designed to fund state transportation and highway projects but includes a grab bag of funding for "affordable housing," the hiring of environmental scientists, and other non-related programs. ACU opposes government interference in the housing market and other programs that should be decided on their own merit and opposed this bill. The Senate defeated the bill on January 29, 2015 by a vote of 14-32.

2. SB 2230 Rent Subsidies. This bill would make believe that 15 percent of one year's rent be treated as a property tax, entitling the renter to a refundable income tax credit. ACU opposes this deceptive program that is actually a rent subsidy program and opposed this bill. The Senate defeated the bill on February 13, 2015 by a vote of 16-31.

3. SB 2038 Pension Reform. This bill would change the state pension plan for new employees from a defined benefit to a defined contribution plan. ACU supports fiscally responsible pension reform and supported this bill. The Senate defeated the bill on February 16, 2015 by a vote of 8-39.

4. SB 2349 Tax Cut. This bill reduces individual income tax rates by 10 percent across the board and corporate rates by 5 percent. ACU supports pro-growth tax relief and supported this bill. The Senate passed the bill on February 18, 2015 by a vote of 33-14.

5. SB 2096 Internet Access Taxes. This bill exempts Internet access services from the sales tax, much the same as the federal Internet tax moratorium. ACU supports keeping Internet access free of taxes and supported this bill. The Senate passed the bill on February 19, 2015 by a vote of 31-15.

6. HB 1257 Equal Pay. This bill expands the right of employees to sue for discrimination under the state's "equal pay" law and shifts the burden of proof from the employee to the employer to "prove" the employer did not discriminate. ACU opposes these laws that are primarily designed to increase litigation and opposed this bill. The Senate passed the bill on March 11, 2015 by a vote of 47-0.

7. HB 1195 Concealed Carry. This bill would allow those with a concealed carry permit to carry a concealed firearm in a school, so long as the governing body of the school permits it. ACU supports the expansion of Second Amendment rights and supported this bill. The Senate defeated the bill on March 20, 2015 by a vote of 17-28.

8. HB 1197 Conservation Land Purchase Subsidies. This bill prohibits a government agency from providing taxpayer funds to a non-profit in order to hold any interest in real estate or an easement for wildlife or conservation purposes. ACU opposes these programs that allow wealthy, tax-exempt organizations to purchase land at above market prices and then close it to development and supported this bill. The Senate passed the bill on March 25, 2015 by a vote of 43-3.

9. HB 1228 Renewable Energy Subsidies. This bill increases the time unused tax credits for renewable energy can be applied from 20 to 30 years. ACU opposes these subsidies that allows government to pick winners and losers in the marketplace and opposed this bill. The Senate passed the bill on March 25, 2015 by a vote of 45-1.

10. HB 1328 Drone Surveillance. This bill requires a warrant be obtained to use a drone for surveillance of private property. ACU supports individual liberties, the protection of private property rights and supported this bill. The Senate passed the bill on April 2, 2015 by a vote of 29-17.

11. HB 1070 Tax Exemptions. This bill broadens "affordable housing" tax exemptions beyond those exempt from taxes as "charitable organizations" to any non-profit activist group. ACU opposes these changes that would make a bad program worse and opposed this bill. The Senate defeated the bill on April 16, 2015 by a vote of 17-29.

NORTH DAKOTA HOUSE VOTE DESCRIPTIONS

1. HB 1293 Equal Pay Certificate. This bill would have barred companies from doing business with the state unless they receive an "equal pay certificate" from the government saying their employment practices are approved. There are already Federal laws against gender discrimination when it comes to financial compensation. The House defeated the bill on January 23, 2015 by a vote of 22-67.

2. HB 1207 Headlight Regulation. This bill would have required drivers to drive with their headlights on one hour before sunset, a time that changes every day of the year.
