LETTER FROM THE CHAIRMAN

Dear Fellow Conservatives,

I am pleased to present the American Conservative Union Foundation's ratings for the 2015 meeting of the Maryland General Assembly. Like our Congressional Ratings, our State Ratings reflect how elected officials view the role of government in an individual's life. The Maryland legislators with the strongest scores voted most consistently with the ideals articulated in the US Constitution: limited and transparent government, individual rights, personal responsibility, and a healthy culture.

The 2014 election completed a political transformation that began in 2010 and resulted in voters of almost half the states, 23 in all, entrusting Republicans with the governorships as well as control of both chambers in the respective state, the biggest sweep since the first half of the 20th Century.

By examining all our State Ratings (which cover a wide variety of issues) we can see which states have best used their Republican majorities to apply conservative principles, how others have struggled, and in yet other states, how conservatives have stood up against liberal majorities. I know that this guide will provide you with the most comprehensive evaluative tool to learn how your legislators measure up.

Sincerely,

Matt Schlapp
Chairman
American Conservative Union

SELECTING THE VOTES

ACU researched and selected a range of bills before the Maryland General Assembly that determine a member's adherence to conservative principles. We selected bills that focus on Ronald Reagan's philosophy of the "three-legged stool": 1) *fiscal and economic*: taxes, budgets, regulation, spending, healthcare, and property; 2) *social and cultural*: 2nd amendment, religion, life, welfare, and education; and 3) *government integrity*: voting, individual liberty, privacy, and transparency. This wide range of issues are designed to give citizens an accurate assessment that conveys which of Maryland's elected leaders best defend the principles of a free society: Life, Liberty and Property.

ACU supports regulatory reform and supported this bill. The Senate passed the bill on February 19, 2015 by a vote of 46-0.

2. **SB 190 Hotel and Motel Sales Taxes.** This bill requires online travel services to pay a sales or use tax based on the full retail rate of the room for a hotel or motel rather than the discounted rate the travel service actually pays. 3. **HB 360 Civil Asset Forfeiture.** This bill requires the state prove by a preponderance of evidence that property owners knew their property was used for a crime before any property is forfeited to the police. The bill also requires that law enforcement agencies file an annual report about each individual seizure of property. ACU supports civil asset forfeiture reform and supported this bill. The Senate passed the bill on March 29, 2015 by a vote of 46-1.

4. **SB 409 Hydraulic Fracturing.** This bill bans hydraulic fracturing in the state of Maryland for two years. ACU supports all forms of energy, opposes this government intervention and opposed this bill. The Senate passed the bill on March 30, 2015 by a vote of 45-2.

5. **SJ 2 Free Speech.** This resolution calls for a constitutional convention for an amendment overturning U.S. Supreme Court decisions on free political speech so that restrictions on campaign contributions that have been thrown out can be reinstated. ACU supports free political speech and the safeguards currently in the Constitution and opposed this resolution. The Senate passed the resolution on April 1, 2015 by a vote of 29-18.

6. **SB 258 Maryland Commission on Climate Change.** This bill creates a new bureaucracy in the Department of Environment, the Commission on Climate Change, to advise the state on how to deal with climate change. ACU opposes this waste of taxpayers' money on a growth of government program that duplicates many other state and federal programs and opposed this bill. The Senate passed the bill on April 2, 2015 by a vote of 35-12.

7. **SB 340 Voting Rights Restoration.** This bill allows convicted felons to have their voting rights restored while they are still on parole regardless of the crime committed. The Senate passed the bill on April 2, 2015 by a vote of 29-18.

8. **SB 905 Film Production Subsidies.** This bill makes permanent a \$25 million a year film and TV production subsidy. A study by the state Department of Legislative Services showed that, of the \$62.5 million in subsidies from 2012-2016, state and local governments received back only a fraction of that amount in revenues from the business created by the subsidy. ACU opposes government subsidies for specific businesses and opposed this bill. The Senate passed the bill on April 2, 2015 by a vote of 43-4.

It also bans those who use the fund from other fund raising or spending. ACU opposes taxpayer funding of political campaigns and opposed this bill. The Senate passed the bill on April 7, 2015 by a vote of 37-10.

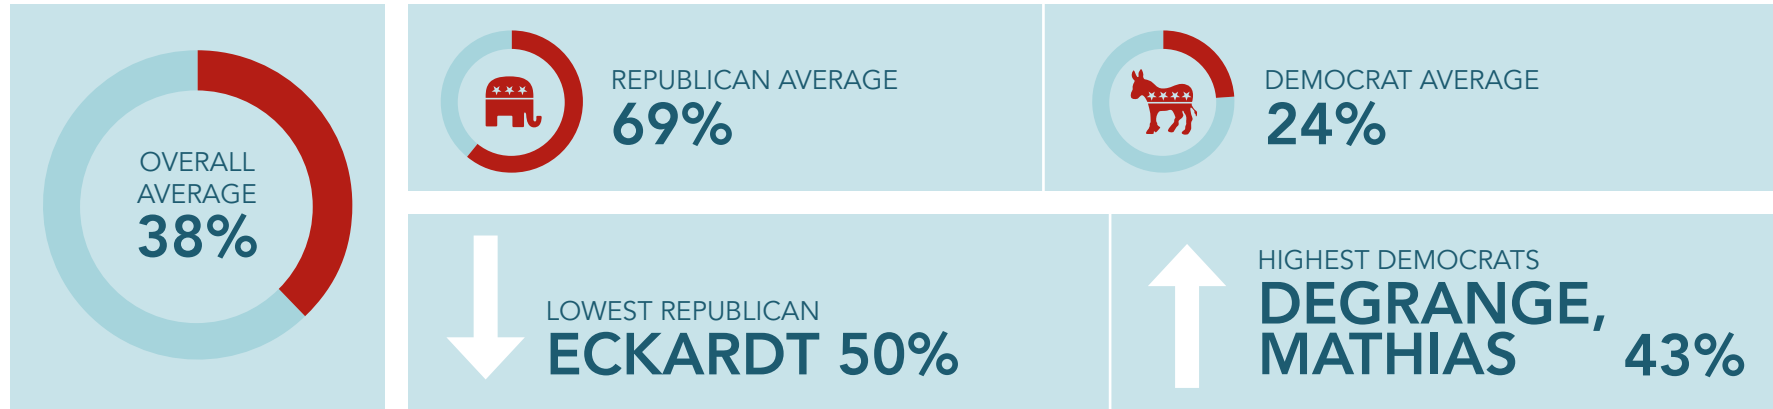

13. **HB 113 Local Government Liability.** This bill doubles both the cap on the amount of claims against local governments and the time limit on filing a claim (from six months to one year).
