## LETTER FROM THE CHAIRMAN

Dear Fellow Conservatives,

We are pleased to present the American Conservative Union Foundation's ratings for the 2016 meeting of the Oklahoma State Legislature. Like our Congressional Ratings, our State Ratings reflect how elected officials view the role of government in an individual's life. The Oklahoma legislators with the highest scores voted most consistently with the ideals articulated in the U.S. Constitution: limited and transparent government, individual rights, personal responsibility, and lasting cultural values.

In 2015, ACU Foundation was proud to make history by being the first organization to rate every single state legislature across the full spectrum of issues, helping each voter understand how his or her state ranks among the rest.

Ultimately, we are trying to help people understand what conservatism *is* and how it improves the lives of everyday Americans. Conservatism is the political philosophy that sovereignty resides in the person. We think that understanding this idea is essential if Americans are to successfully govern themselves again.

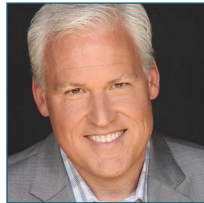

Working with our policy centers and fellows, the ACU Foundation engages in deep policy analysis to help create our annual state scorecards. We have enhanced the vote descriptions this year to show this effort more clearly.

By examining all 50 of our State Ratings, we can see which states have most effectively promoted conservative solutions and which have struggled. Our ratings also help identify legislators who have courageously fought against liberal majorities. We hope that this guide helps you learn how well, or poorly, your legislators work to preserve the values we share.

Sincerely,

Matt Schlapp  
Chairman  
American Conservative Union

## SELECTING THE VOTES

ACU researched and selected a range of bills before the Oklahoma State Legislature that determine a member's adherence to conservative principles. We selected bills that focus on Ronald Reagan's philosophy of the "three-legged stool": 1) *fiscal and economic*: taxes, budgets, regulation, spending, healthcare, and property; 2) *social and cultural*: 2nd amendment, religion, life, welfare, and education; and 3) *government integrity*: voting, individual liberty, privacy, and transparency. This wide range of issues are designed to give citizens an accurate assessment that conveys which of Oklahoma's elected leaders best defend the principles of a free society: Life, Liberty and Property.

## OKLAHOMA SENATE VOTE DESCRIPTIONS

1. **HB 1198 Increasing Executive Authority.** This bill authorizes the Department of Labor to bypass the legislative process and establish penalties for violations of the Oklahoma Occupational Health and Safety Standards Act and the Asbestos Control Act. ACU opposes this expansion of executive branch authority and opposed this bill. The Senate passed the bill on March 3, 2016 by a vote of 33-10.

---

2. **SJR 64 Voting ID.** This resolution proposes a constitutional amendment requiring voters to state their name to an election official and produce proof of identity. ACU supports strengthening ballot integrity and protections against voter fraud and supported this resolution. The Senate passed the resolution on March 7, 2016 by a vote of 39-8.

---

3. **SB 1206 Taxpayer-Funded Marketing Promotion.** This bill permits municipalities to tax hotels with 50 or more rooms in order to fund marketing promotions for private and public events. ACU believes government should not be in the marketing business and opposed this bill. The Senate passed the bill on March 7, 2016 by a vote of 32-13.

---

4. **SB 1130 Legislative Authority.** This bill authorizes the legislature to amend executive agency rules by joint resolution and allows the legislature to write their own rule through a joint resolution. ---

5. **SB 770 Open Meetings Act.** This bill expands the state's open meetings act to include the Judicial Nominating Commission. ACU supports government transparency and open meetings whenever possible and supported this bill. The Senate passed the bill on March 9, 2016 by a vote of 40-4.

---

6. **SB 1462 Sanctuary Cities.** This bill prevents local governments from adopting a "sanctuary" policy that limits law enforcement agencies from cooperating with federal agencies to report on anyone's immigration status and makes these "sanctuary cities" ineligible for state grant programs. ACU supports enforcement of federal immigration laws and supported this bill. The Senate passed the bill on March 9, 2016 by a vote of 35-7.

---

7. **SB 1187 Public School Deregulation.** This bill allows public schools to have some of the same flexibility as charter schools in the areas of teacher hiring and pay, among other provisions. Educational attainment is an important cultural value that yields substantial economic returns for families and for states, which is illustrated by the ACU Foundation's Family Prosperity Index. ACU supports school choice and reforming the education bureaucracy and supported this bill. The Senate passed the bill on March 10, 2016 by a vote of 25-20.

---

---

9. **SB 1379 EPA Clean Power Mandate.** This bill prohibits state agencies from developing or implementing the federal EPA's clean power mandate, now stalled due to a court injunction, unless the Attorney General determines that action is required. ---

11. **HB 2962 Health Insurance Mandate.** This bill requires all health insurance policies to include coverage for autism but exempts companies that can show it would require more than a one percent increase in premiums for consumers. ---

12. **HB 2820 Musical Therapy License.** This bill creates a new bureaucracy to administer examinations and licenses for musical therapy. Those issued a license must have a bachelors' degree in musical therapy and log 1,200 hours of training. When entrepreneurship is suppressed, the resulting decline in economic growth leads to a reduction in family prosperity, as illustrated by the ACU Foundation's Family Prosperity Index. ACU opposes the proliferation of licenses that are primarily designed to reduce competition and opposed this bill. The Senate passed the bill on April 19, 2016 by a vote of 38-7.

---

-

ACU supports reforming rigid public school regulations to benefit students and supported this bill. The Senate passed the bill on April 19, 2016 by a vote 31-14.
- 
14. **HB 2929 Employer Mandate.** This bill prohibits employers from firing or "discriminating against" an employee for inquiring about, discussing, or disclosing other employees' wages. - 
15. **HB 3098 Unconcealed Carry.** This bill allows unconcealed carry of a firearm by anyone 21 years of age or older who is not otherwise precluded from carrying a firearm. The Senate passed the bill on May 16, 2016 by a vote of 35-5.
- 
20. **SB 1604 Eliminating "Refundable" Tax Credits.** This bill makes the earned income tax credit in the state non-refundable as part of an effort to eliminate a budget shortfall. ACU supports returning the earned income tax credit to its original purpose of reducing the tax burden on working families instead of the welfare cash payment it has become and supported this bill. The Senate passed the bill on May 16, 2016 by a vote of 30-11.
- 
21. **HB 3164 Franchise Rules.** This bill clarifies the law related to seasonal employment so that businesses only operating for six months or less out of the year are not responsible for unemployment compensation for the rest of the year and clarifies the franchise law in response to a National Labor Relations Board ruling, saying that even if the company name is on a franchise store, the franchisee is considered the owner of the business. -

-

-

ACU supports strengthening taxpayer accountability and government transparency and opposed this bill. The Senate passed the bill on May 25, 2016 by a vote of 47-0.
- 
25. **HB 2267 Medicaid Reimbursement Scheme.** This bill forces private hospitals (but not government hospitals) to pay a fee so the state can obtain a matching grant from the federal Medicaid fund to increase Medicaid reimbursements to hospitals.
